Junction Fuels

GENERAL CONDITIONS & EXCLUSIONS

- 1. Upon termination for any reason, there shall be no refunds or credit allowed. In the event of sale of property, the Agreement is transferable if desired by the owners, subject to prior written consent of Company not to be unreasonably withheld by the Company.
2. Equipment is subject to our inspection and approval before acceptance of Agreement. Any repairs required to place equipment in acceptable condition are excluded and will be charged separately.
3. This Agreement is not enforced if the Customer's account is delinquent or if the Customer does not purchase all fuel oil requirements from Junction Fuels Company and no refund is due.
4. This Agreement does not cover labor or materials due to water damage to equipment or storage tank(s). Plans include only the repair and replacement of parts specifically listed herein that are defective due to ordinary wear. They do not cover any service or repairs to the entire boiler or burner heat exchangers, jackets, water heaters, tankless coil, or any other part not specified in the Plan.
5. If buyer permits any persons other than our employees to render service to the equipment except as instructed by us, the Plan is void.
6. We shall not be liable for any loss, damage, or injury arising from the services performed or parts supplied under this Plan unless the loss, damage, or injury is caused directly and solely by our negligence.
7. We shall not be liable for any loss, damage, or injury that results directly or indirectly from the condition of Customer's chimney, oil tank, or equipment not covered by this Plan. Company assumes no responsibility for heating failure or damages when the house or building is unoccupied.
8. Company will not guarantee replacement or repair of parts or equipment that have become obsolete. All replacement parts are subject to their availability from the supplier.
9. Company shall not be liable for any injury, loss, or damages whatsoever that are occasioned, in whole or in part, by defective design; faulty, incomplete, or erroneous plans or specifications; defective material or parts; defective operation; or malfunctions of any equipment. Company takes no responsibility for any instructions, directions, or operating guidelines on warranty from any manufacturer or dealer.
10. This Agreement covers only labor and/or parts required directly on the oil burner, controls, and specified other parts of the heating system. Service labor and parts required as the result of abnormal conditions, such as war, fire, floods, hurricanes, strikes, or other acts of God; failure of purchaser to properly maintain the heating and domestic water heating systems; power interruptions; blown fuses or circuit breakers; water damage; or thermostat not calling for heat will be billed at prevailing rates.
11. This Agreement shall cover a period of one year. It will automatically renew each year by credit card unless Junction Fuels is notified 30 days in advance of renewal date.
12. This Agreement contains the entire Agreement of the parties hereto and there are no promises, terms, conditions, or obligations other than printed herein.
13. Emergency service is defined as no heat during the heating season, serious oil leaks, or other dangerous situations. All other calls are handled during normal working hours: Monday through Friday, 8 AM to 4:30 PM.
14. PAYMENT MUST BE INCLUDED WITH CONTRACT. THIS CONTRACT IS NOT VALID WITHOUT PAYMENT & INSPECTION.
15. By filling out and signing the registration card and returning it to the Company the Customer agrees to all terms and conditions listed in this brochure during the term of this Agreement and any renewals thereof.
16. PLEASE KEEP FOR YOUR RECORDS.

YES, I WOULD LIKE TO SIGN UP FOR THE FOLLOWING SERVICE CONTRACT: (PLEASE CHECK APPROPRIATE BOX)

- VALUE PLAN \$289.99/YEAR+TAX WATER HEATER AS 2ND UNIT \$199.99/YEAR+TAX
(this is an add-on to either plan)
- DON'T BE FUEL-ISH \$239.99/YEAR+TAX

*Please include payment. Automatic delivery is required for any service plan.

Before you schedule maintenance, please remove all items from the area surrounding your oil burner and tank. The entire heating system including tank must be accessible for our technicians. While we cannot guarantee the prevention of a leak or other failure of your tank, you must pass a visual inspection of your tank. We are providing this new service with the hope that by testing and monitoring, we can offer a long-term proactive replacement program for our customers.

*Your credit card will be automatically charged for the next contract upon renewal.
